

Whiz Kids Tutoring at The Third Story

Whiz Kids tutoring connects caring adults with [neighborhood kids](#) (K-5th grade) who need a little extra academic help. Tutors assist their student with basic [reading](#), [math](#) and [writing](#) skills.

Each week the tutor has an hour of [one-on-one](#) time with their student followed by a half hour of “club time” that includes singing, a simple Bible lesson, academic tips, announcements and a closing prayer.

We tutor at First Avenue Pres. Church (1st and Acoma – one block west of Broadway) during the school year. We take off Thanksgiving week, all major holidays and have an extended Christmas Break. We also have substitutes available who can fill in during times of illness or business/family travel commitments.

Tutors are offered comprehensive training and there is always a local school teacher on-site to assist us! We have two available sessions of tutoring:

Monday Afternoon Session: 4:15-6:15 or
Monday Evening Session: 5:15-7:15

For more information, please visit thethirdstory.org/westside/tutoring or email t3s@thethirdstory.org

Whiz Kids Tutoring begins September 17th
